→ **EAVE Ties That Bind & Spotlight Asia**  
**Marché du Film Festival de Cannes package**

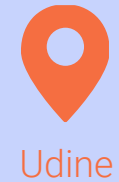

A new 2-step global platform to highlight Asia's exciting film market and build connections with the European industry. Organized by Marché du Film in collaboration with EAVE Ties That Bind and Focus Asia, Asia Spotlight is a brand-new international initiative that aims to foster more film collaborations between Asia and Europe. The events will zoom in on everything potential co-producers need to know to navigate the different levels of working together, understand the specific legal framework and explore the challenges of such ambitious projects and provide solutions

**PACKAGE PRICE**  
€ 5,000

# Focus Asia EAVE Ties That Bind

→ **April 26-28**

It's one of the leading markets exclusively dedicated to over 200 film professionals and decision-makers from Asia and Europe keen to strengthen their industry and artistic connections. The program is run in collaboration with EAVE and includes a co-production platform for films in development, films in post-production and training.
